SKILLS

TECHNICAL SKILLS

- GIS & Remote Sensing: QGIS, WebGIS
- Programming: Python, C++, HTML, CSS
- Tools: Data Handling, Documentation

SOFT SKILLS

- Leadership & Team Collaboration
- Event Management
- Communication & Content Writing

CERTIFICATIONS

- **Advanced QGIS** Spatial Thoughts
- NASA ARSET: Remote Sensing & WebGIS (2026)
- IBM: Basics of Quantum Information (2025)
- AI for Techies – Be10x (2025)

PROJECTS /INTERESTS

- Building a Secure Password Manager (Python + Encryption + SQLite)
- Exploring Web Development + Startup Tech Platforms
- Interested in Remote Sensing Applications & GIS Analysis

LANGUAGE

- English
- Hindi

PROFESSIONAL PROFILE

IIT (ISM) Dhanbad undergraduate specializing in Applied Geology with a strong focus on Remote Sensing, GIS, and technology-driven solutions. Co-founder of CampusZon, where I built a secure campus marketplace solving real-world trust and logistics problems. Passionate about leveraging geospatial data and software development to create impactful, scalable systems.

EDUCATION

Integrated M.Tech in Applied Geology

IIT (ISM) Dhanbad (2024 – 2029)

DAV School, Siliguri (2010 – 2023)

- House Captain
- Volleyball Club Member
- Event Coordinator

EXPERIENCE

Co-Founder – CampusZon (Nov 2025 – Present)

- Built a campus marketplace enabling 100+ students to buy, sell, and rent items securely
- Implemented college email verification system to ensure trust and prevent fraud
- Led full-stack development (product design, backend, deployment)
- Developed core features: listings, search, booking, and payment flow

Member – E-Cell, IIT (ISM) Dhanbad (Oct 2025 – Present)

- Engaged in startup ecosystem activities
- Participated in entrepreneurial workshops and initiatives

Documentation & Content Writing Volunteer – Srijan IIT (ISM)

- Created and edited official event documentation, and content for Instagram posts
- Improved clarity, readability, and consistency of content

Volunteer – PARAKRAM IIT (ISM) (Mar 2025)

- Managed logistics, equipment, and coordination
- Solved real-time issues during events

Volunteer – Hackfest IIT (ISM) (Apr 2025)

- Organized volunteer workflow and schedules
- Assisted in large-scale event management
